At the stern, a generous seating area accommodates up to 12 guests comfortably, ensuring memorable gatherings with friends and family.

# EXTERIOR

The real jewel of Moon 9Ty is the upper deck - the flybridge. It is here, with beautiful panoramic views, that you can fully enjoy the fresh breeze, the wind in your hair and all the comforts you can expect on such a vessel. At the disposal of the owner and his guest are comfortable sofas, lounge mattresses, a well-equipped bar, or a Jacuzzi.

## THE MAIN SALON

The main salon beckons with panoramic views, creating an ambiance of openness and serenity.

Seamlessly transitioning to the exterior, large patio doors lead to the rear cockpit, perfect for al fresco dining experiences.

## MASTER BEDROOM

Fabulous interior

All cabins are very spacious and finished with attention to the smallest details, have private bathrooms or bathing lounges, and the owner's cabin can also be equipped with a hydraulically opening balcony.
